

Camp de Innovación y Emprendimiento en UBC, Vancouver, Canadá

Global*Camps*Idiomas*Cursos se complacen en invitarlos a participar en su programa "Experiencia de Tecnología". El programa en la **University of British Columbia (UBC)**, ofrece una mezcla de inglés aplicado, deportes y diversión que asegura una magnífica experiencia para todos los participantes.

Descripción del Programa

Desde 1980, la **University of British Columbia (UBC)** ha recibido en sus hermosas instalaciones, a miles de jóvenes de diferentes nacionalidades, durante todos los veranos.

Vancouver, fue sede de los Juegos Olímpicos de Invierno en 2010, y es considerada una de las más bellas ciudades de Canadá. Está situada en la costa del Océano Pacífico y está rodeada de playas, montañas y naturaleza.

El Camp de verano se lleva a cabo en la prestigiada UBC, se localiza a 30 mins. del centro de Vancouver, en una hermosa zona donde las montañas nevadas se juntan al mar, y cada año se prepara para ser un Camp lleno de diversión, aprendizaje, nuevos amigos y excelentes recuerdos.

Este Camp no solo es un curso de inglés, sino que brinda la oportunidad de practicar el inglés mientras los participantes originarios de muchos países, aprenden innovación, habilidades digitales, habilidades creativas para la vida y habilidades de aventura. El Camp incluye talleres prácticos para introducir a los participantes a la industria de la tecnología (de rápido crecimiento), proporcionando diferentes temas para elegir: Comprender y crear mundos de realidad virtual. Animación. Arte Digital. Google Suite + Introducción al Diseño. Diseño 3D + Impresión 3D y electrónica mediante Inteligencia Artificial (IA).

La UBC ofrece instalaciones deportivas de primera clase, que incluyen gimnasios, alberca, campos deportivos multifuncionales, canchas de tenis, canchas de futbol, basquetbol, volibol, pista de atletismo y servicio médico.

Grandes paisajes y aventuras serán parte de esta experiencia. Vive un auténtico y moderno Camp durmiendo en dormitorios para estudiantes, alejado del ruido, tráfico y contaminación de las grandes ciudades, inmerso en un ambiente 100% natural donde estamos seguros de que experimentarás **¡el mejor verano de tu vida!**

Disclaimer and Other Information

Our Vancouver *is Awesome!* camp is operated 100% by **The Camp**.

The Camp runs the Full Experience camp for the week in Vancouver

The Camp programs start on a Sunday. We strongly recommend booking an early flight on Sunday to arrive in Vancouver before dinner time (5:30 PM).

The Camp offers a unique and innovative way of practicing English while our campers learn innovation, digital skills, creative life and adventure skills.

Programs

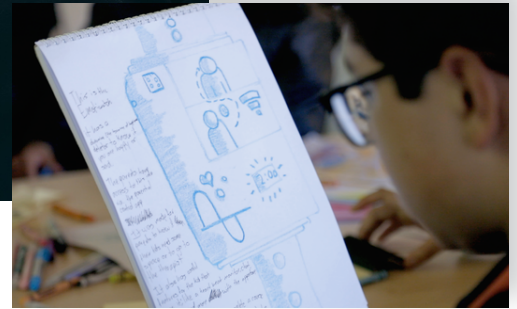

Our **INNOVATION Labs** and **English Immersive** program feature the exhilarating Global Hackathon. In this all-day event, students engage in workshops and entrepreneurial sessions and pitch their secret project to a jury, creating a memorable and extraordinary experience for all participants.

Innovation Labs

The Camp introduces hands-on workshops to introduce campers to the fast-growing Technology industry, providing different topics to choose from:

Understanding and creating Virtual Reality Worlds. Animation. Digital Art. Google Suite + Intro to Design. 3D Design + 3D Printing and Electronics using Artificial Intelligence (AI).

Practical English

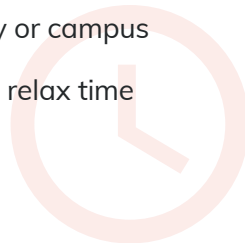

The Camp goes the extra mile and leaves the classic classroom environment to learn and practice English in real-life scenarios. From life and survival skills to immersing themselves in an Olympic spirit and getting to know the history of Canada and Vancouver firsthand,

The Camp offers a week full of fun, hands-on activities and development projects to encourage Urban Campers to speak and communicate with local people and fellow campers.

Computers, tablets, and video games are not allowed, but electronic readers, music players, and cameras are permitted during designated times.

Accommodation

VANCOUVER
UBC Campus

The Urban Camp residence is located at The University of British Columbia Campus (UBC). Campers have single rooms and share the bathroom with one same-gender camper only.

Additional Info

Check out for departures is at 11 AM on Saturday. We suggest booking the latest flight available on Saturday. If arrival or departure happens a day before or after the start or end of the program, please request an **extra night request form**. (applicable fees for the extra night, meals and guardian).

Closer to arrival, we will provide an electronic presentation with a guideline of what is needed for Vancouver. Campers can contact their parents anytime during their free time using their phones. Parents and Agents can also contact The Camp Team, as the camp line is available 24/7. However, it is advised to avoid making non-emergency calls between 10 PM and 7 AM Vancouver time.

We will teach and help campers to do their laundry as part of our Life Skills program. However, camp fees do not include any laundry costs.

Safety is a priority! We have a minimum of 2 adults for every 10 campers, plus mobile Social Media coordinators, a senior team, campus security, and UBC staff. We are trained and Certified in First Aid & CPR; all have a criminal background check.

We understand that making the right decision for your student's well-being is important to you. Our directors personally connect with you to understand your needs and address any concerns. With **over 20 years of experience**, we value the trust you place in us to care for your students.

After the initial conversation or *virtual cafecito*, we communicate via WhatsApp and/or email. If you choose to join our program, we ensure ongoing communication leading up to the start of the program and of course, during the program. You'll receive newsletters and occasional videos via WhatsApp, where our Virtual Team AI Members will provide all the necessary information about the trip to Canada. We aim to keep you informed and prepared well in advance.

We offer Technology + Innovation, English Immersive, and Adventure camps for youth featuring entrepreneurship projects and wellness workshops.

Our diverse student body includes participants from Mexico, Colombia, Venezuela, Uruguay, Peru, Ecuador, Chile, the USA, and Canada.

Our curriculum focuses on Technology, Innovation and English Immersion, supplemented by entrepreneurship, leadership, wellness, and mindfulness workshops. We also provide education on environmental sustainability and organize tours of iconic and hidden gems in Vancouver and its surroundings. Full-day excursions to Whistler and Bowen Island are part of our programs.

The Camp embraces a "Live Like a Local" concept, incorporating lessons in labs, city exploration using public transit, support for local businesses, and promoting healthy habits and snacks. We prioritize social equality, diversity, inclusiveness, the environment, and animal welfare, instilling these values in our learners.

We aim to make a meaningful difference in the lives of our students by preparing them for the "NOW" and future while fostering their growth as responsible and healthy citizens.
