# SCHOOL IMMERSION *and* BUDDY PROGRAMS

**CANADA**

***Explore our new immersion program in Windsor, Ontario, for students in grades 9 through 12, where international students can experience quality education and make friendships with Canadians in a welcoming environment.***

Windsor, known as the "City of Roses", is safe and friendly, offering access to cultural and sports activities, as well as being close to Detroit. Students experience an education alongside local students, with a focus on sports, STEM, and dance, residing in modern dormitories with an active social calendar.

The program offers **long-term options**, resulting in a 97% graduation rate, facilitating admission to the best universities in Canada and the USA

**Start any Monday of the school year.**
