

Lyon

The city of lights

With its university, art, culture, history, creation, gastronomy and contemporary dance, Lyon is a cosmopolitan city that is always pushing boundaries.

Lyon is just two hours from Paris, Marseille and Geneva on the TGV, the French high-speed train. The city also has an international airport that makes Lyon a perfect spot from which to discover Western Europe. This is a place with everything to entice you, including great culture, an impressive range of restaurants – from bouchons (traditional Lyonnaise restaurants) to Paul Bocuse’s prestigious venues – and a student population of 100,000.

At night, the city sparkles; your evenings in Lyon are bound to be memorable.

From Bellecour to Terreaux, from St-Jean to St-Paul, from the Parc de la Tête d’Or to the Pentès de la Croix Rouse, its banks and pastel-coloured old districts resembling little villages are invitations to go shopping, enjoy peaceful walks or explore the area.

Discover a UNESCO-listed city famous for its silver and gold embroidered silks; enjoy the beauty and lose yourself in the energy and unique lifestyle. A French course in Lyon is a treat for all five senses.

The city of lights

Our school is in the heart of the city's cultural and festive life in Lyon's centre. The beautiful 19th century building is located on the "Presqu'île" (peninsula), overlooking the Rhône and a short walk from the Saône. The school has spacious and bright classrooms with high ceilings.

Only a stone's throw away from the biggest square in Lyon, straight after class you can soak up the atmosphere in the numerous nearby cafés and restaurants, where Lyon's students meet.

The school has direct access to the best pedestrian shopping areas in Lyon and there is a subway station and a bus stop less than five minutes' walk away from the school.
