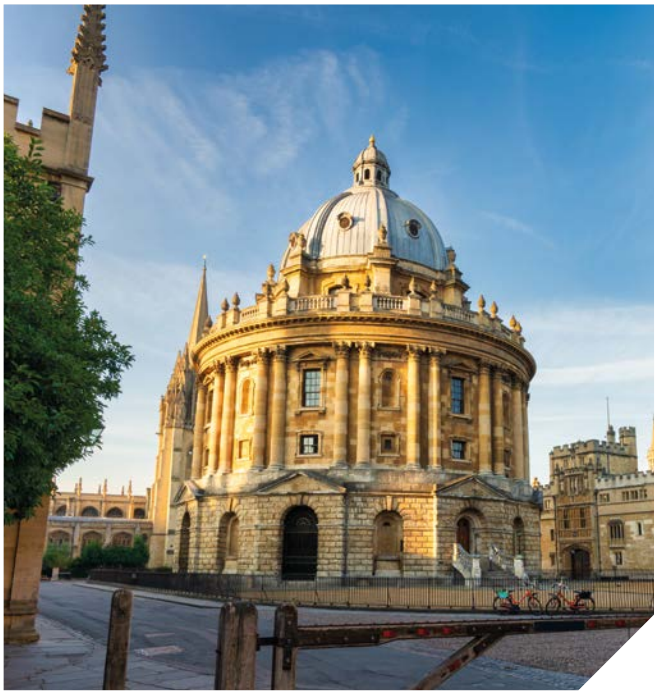
- Flexible programmes for different age groups, budgets, and timeframes.
- High-quality teaching, accommodation, safeguarding, and pastoral support.

Academy x Greyfriars, Oxford, UK

Homestay Centre

Students on our homestay programme are taught at the Academy at Greyfriars, offering immersion within a local high school environment. This provides students with a taste of life in a local high school. Students benefit from a dedicated teaching block within this outstanding state school, allowing us to offer our students excellent Integration, mini-stay and winter tailor made programmes all year round.



Oxford Location

X Academy is situated in Cowley, Oxford.
You can reach the city centre of Oxford within a 15 minute bus journey, where you will find dreaming spires, impressive history and a buzzing student community – almost a quarter of the Oxford population are students.

Course Features

- Full board homestay accommodation (lunch can be provided at school)
- Balanced weekday timetable: school, study, activities, weekend programme including
- Excursions and cultural visits
- Bus pass provided for all students
- Private transport to and from school can be provided

What is an Integration Programme?

Integration Programmes in Oxford allow international students to step directly into authentic British school life – following real timetables, joining lessons with local students, and becoming part of a vibrant academic community.

An Integration Programme gives international learners the unique opportunity to **join a British school alongside local students**, participating in the normal academic timetable alongside UK peers. Students experience subjects like maths, science, history, arts, and more in a real classroom environment.

This is full cultural and academic immersion – not simply an English course.

Schools are Ofsted rated 'Good' or 'Outstanding', ensuring a high-quality experience for international learners.

Key Programme Features

Full Academic Integration

Students join British students in real lessons – experiencing the UK curriculum firsthand. Subjects may include:

- Maths • Science • History
- Geography • Arts • Cookery

Buddy Partnerships

International students are paired with a British "buddy" who supports them throughout the school day – helping them navigate the timetable, make friends, and settle into school life.

Cultural Immersion Activities

Programmes include cultural fusion workshops, excursions around Oxford, and collaborative projects that promote global citizenship.

Flexible Duration & Customisation

- 1-week taster (popular with school groups)
- Multi-week academic mini-stays
- 1–2 term full integration for individuals (with 6, 11 and 22 week options)

All Inclusive Options

Programmes typically include:

- All meals and accommodation
- Local transport bus pass
- Full school timetable
- Excursion programme
- 24/7 pastoral support
- Certificate of completion
