Why join the Summer Program

[JAPAN Fun!] Why join Summer Program?

1. Extensive Activities

Our special activity plan combines traditional and modern Japanese culture with popular tourist attractions. Let's have a fun and fulfilling time by using the Japanese you learned in class!

2. International exchange events with international students

This is a great opportunity to make friends from different countries!

Let's make plenty of memories through diverse cultural experiences and international exchange meetings.

3. A new campus with cutting-edge technology and friendly staff

The school is equipped with state-of-the-art facilities and equipment. The library corner, proudly selected by staff, is also popular. Our experienced and friendly staffs are ready to assist you.

Courses are available in Tokyo and Osaka!

Course E allows participants to study in two cities, Tokyo and Osaka.

*Participants are responsible for arranging their own transportation (bullet train, plane, etc.) from Tokyo to Osaka.

LENGTH

Choose between 2 or 4-week programs. It's an ideal duration for those who want to immerse themselves in learning Japanese thoroughly during their stay in Japan.

AGE LIMIT FOR JOINING THE PROGRAM

Minimum age requirement: 15 years old
Various experiences organized in a safe environment.
*If you are under 16 years old at the time of participation, you must submit a parental consent form.

SCHEDULE

One class session is 90 minutes.

Courses A to E have Japanese classes in the morning (8:50-12:00) and activities or free time in the afternoon. Course F will be taught in the morning (8:50-12:00) and afternoon (13:00-14:30), focusing on preparation for the JLPT exam.

Course F (JLPT Strengthening Special Training) is designed for those who are aiming to pass N2 or N3, and classes are divided by level.

Why join the Summer Program

Why choose?

Special Short-Term Program focuses on developing communication skills in Japanese over a short period of time and exposes you to various aspects of Japanese culture.

You can improve your Japanese further by studying Japanese at a level that suits you best using the words you have learnt during your activities.

Make lots of memories with students from all over the world!

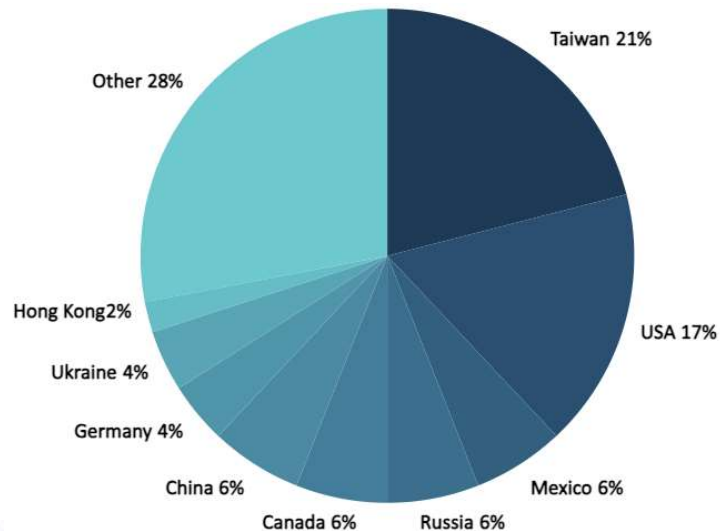

Many exciting experiences await you in Japan.

Learn to be diverse in a global learning environment

Japanese Language School has welcomed more than 41,000 students from more than 120 countries and regions around the world.

Students come from various countries. In this international learning environment, you will have a chance to not only learn Japanese language, but also to come in contact with foreign cultures and values that are different from your own country and Japan.

<TOKYO> Activity week1 (July 14th – July 19th)

Welcome Party (Sumo Experience)

Sumo is the national sport of Japan. At the welcome party, enjoy a sumo show by a former sumo wrestler. It will be a valuable experience to feel the depth of Japanese culture.

Ninja Experience

Dress up in a ninja costume and learn ninjutsu from professional actors. You will have an active experience with swords and shurikens.

Small Worlds TOKYO

Visitors can enjoy miniatures of Japanese culture and history as well as landscapes from around the world at this facility. The exhibits, which are a combination of intricate models and technology, are well worth a visit!

Sightseeing in Asakusa

You will experience historical culture at the traditional Sensoji Temple and Nakamise Street, and enjoy the modern side of the city at the Tokyo Skytree. You will be able to experience the traditional and modern charms of Tokyo at the same time.

<TOKYO>

Activity week2 (July 22nd – July 26th)

teamLab

This is a Japan's first interactive museum that fuses art and technology. The art changes with people's movements, so you will surely be able to take many pictures that will look great on social media!

Food Sample Making

Enjoy making your own sushi and sweets that look just like the real thing, as seen in Japanese restaurants, and taking them home with you! Even beginners can easily take on this challenge.

Mt. Fuji Foothills Tour

You will enjoy activities at the foot of Mt. Fuji, and go to a shopping mall. This is a day to enjoy nature and shopping a little further away from Tokyo.

<TOKYO> Activity week3 (July 28th – August 2th)

Disaster Prevention Experience

Since Japan is prone to disasters such as earthquakes and typhoons, facilities are being built to raise disaster awareness. Please acquire knowledge about disasters.

Tea Ceremony Experience

Experience the traditional Japanese culture of the tea ceremony. There are certain manners in how to make and serve tea (matcha), as well as how to receive tea.

Popular Theme Park

The world's most famous theme park where dreams and magic intersect. Visitors can enjoy the beautiful harborside atmosphere, unique attractions, shows and shopping.

<TOKYO>

Activity week4 (August 4th – August 8th)

Sightseeing in Toyosu

Toyosu has a new tourist attraction that recreates the streets of the Edo period. There you will find restaurants serving a variety of cuisines, including fresh sushi and ramen noodles, and a public bath where you can soak in the hot water of a famous hot spring resort (Additional entrance fee required).

Farewell Party (Japanese Exchange Party)

Enjoy your last moments with the teachers and friends you have spent so far together. Japanese students from ISI group schools and others will also participate, making this a great opportunity to use the Japanese you have been learning and enjoy conversation.

<OSAKA> Activity week1 (July 14th – July 19th)

Welcome Party (Multinational Exchange Party)

Not only fellow students participating in this program, but also international students attending ISI Osaka will join us. This will be a good opportunity to hear not only about how to study Japanese, but also about life in Japan and places to visit.

Shinsaibashi and Dotonbori Walk

It is an essential spot for sightseeing in Osaka. Shinsaibashi has a 600-meter-long arcade lined with a wide variety of stores. Dotonbori is a lively area known for its unique signboards.

Osaka Castle

The castle was built by Mr. Toyotomi Hideyoshi in 1583. The interior is open to the public as a history museum. On a clear day, visitors can enjoy a spectacular view of the mountains in the distance.

Sightseeing in Kyoto

This tour will take you to the recommended sightseeing spots in Kyoto, the city with the most colorful Japanese traditions and culture. If you are lucky, you will be able to meet a real maiko.

<OSAKA>

Activity week2 (July 22nd – July 26th)

Tenmangu Shrine and Tenjinbashisuji Shopping Street

We will visit Tenjinbashisuji Shopping Street, the longest shopping street in Japan, and Osaka Temmangu Shrine, which is dedicated to the god of learning, and since the Tenjin Festival is held from late June to July 25, we will also learn about this festival in class.

Samurai Experience

Samurai were real people who were skilled in martial arts and had the philosophy of obeying the Lord without sparing their own lives, which existed more than 100 years ago. Let's pretend to be a Samurai and learn the "kata" of Samurai fighting.

Sightseeing in Nara

Nara is home to numerous temples and shrines that have been registered as World Cultural Heritage sites. In addition, Nara Park is home to many deer, and feeding them is a popular activity.

<OSAKA>

Activity week3 (July 28th – August 2th)

Manga Trial Class

Japanese manga is popular worldwide. This is a short, approximately one-hour class for beginners. Learn techniques directly from the professionals and take home a one-of-a-kind illustration as a souvenir.

Aquarium

Let's visit one of the world's largest aquariums. It houses the world's largest fish, the whale shark. Hands-on exhibits where visitors can touch the creatures are also popular.

Popular Theme Park

We will go out to a fascinating theme park in Osaka where you can experience the world of movies and animation. You can take pictures with popular characters and enjoy exciting attractions.

<OSAKA> Activity week4 (August 4th – August 8th)

Cup Noodles Museum

Did you know that instant ramen was developed in Japan? Mr.Momofuku Ando developed it at his home in Ikeda City, Osaka Prefecture. This museum is located in Ikeda City, where you can enjoy learning about the history of Cup Noodles.

Farewell Party

Enjoy your last moments with the teachers and friends you have spent so far together. Play games, work together as a team, compete for the top scores, and receive original ISI goods.

Students' Voices

My favorite part was the classes. Everything was well organized and great!

John (Netherlands)

I was happy to be able to participate in the summer course. I was lucky to make friends from all over the world and learn Japanese together with them.

Alison (Finland)

I enjoyed teamLab. Since I stayed with a homestay, my Japanese became better!

Alvin (Malaysia)

I really enjoyed going to Disney Sea. My Japanese has improved a little.

Tadeo (Mexico)

I am just beginning to study Japanese and am only at the level where I can read hiragana and katakana, but I am very happy to have participated in this summer program.

Ivy (Taiwan)

Privacy Policy/The use of personal information

Purpose of using student information: We will use the personal information provided at the time of inquiries and application for program to communicate with students, as well as transport and accommodation in the programs you have applied for. We will use it within the scope necessary for the arrangement of services provided by institutions and the procedures for receiving such services.

Guidelines for responding to infection

The school will respond to infection according to the following guidelines. The school will not be held responsible for any client who is unable to receive the scheduled services due to the following guidelines. Also, no refunds will be made for program changes due to the following reasons.

Extracurricular activities (transportation, facilities used, etc.)

- We will inform the student to confirm that the service provider arranging the service is one that has appropriate infection prevention measures in place.
 - Consider providing information, etc., as necessary so that students can recognize and select whether safety measures are taken by the operator of the transportation facility, etc. to be arranged.
- (1) Planning of activities
 - Pay attention to the selection of appropriate activity sites according to the infection situation.
 - Verify that the prefecture in which the activity is held has not requested voluntary restraint from moving between prefectures.
 - (2) Selection of service providers, etc. for activities
 - Ensure that appropriate infection control measures are taken prior to incorporating transportation, meal sites, tourist facilities, experience programs, etc. into activities.
 - Even after an activity has begun, if it becomes clear that a change in the infection situation is likely to make it difficult to continue the activity safely, the activity will be terminated and the participants will be returned to the place of departure.
 - (3) Activity management outside the school
 - The operation and management will ensure that each guidelines of each transportation system used in the activity, facilities and sightseeing sites are followed.

Meals

- In terms of meals, the operation and management will ensure that each location's guidelines are followed.

Health care of activity participants, staff and related personnel

- Students presenting symptoms of fever or suspected infection are asked to refrain from participating in activities.
- Students who become ill during an activity should leave the activity, take measures to prevent infection from spreading to other students, and prepare in advance to consult and receive medical care at the nearest health center or medical institution.
- We will arrange services as needed for activity participants who leave the group because they become ill to return to the place where the activity began or to their accommodations, etc.
