### School Profile

Cathedral High School is a Catholic, college preparatory high school located in Springfield, Massachusetts. Inherent in the mission of Cathedral High School are the beliefs that each student is unique and has a need for developing spiritually, intellectually, and physically. Each student is gifted in a different way and the administrators and faculty at Cathedral are committed to provide experiences that allow students to discover knowledge for themselves. As members of our society, students need to learn how to work with and care for others. These principles form our goals that are reflected in the school's expectations for graduates, which are then demonstrated by the school's competitive ACT and SAT scores!
