School Profile

Saint Clement Junior/Senior High School is a private, co-educational Catholic high school. In September, 1925, the traditions of academic excellence and Catholic values merged into the energy and spirit that has continued to the present. For over seven decades, Saint Clement have brought forth values that are firmly based on the Catholic tradition. They are committed to developing a morally aware, independent thinker -- a student capable of thinking, judging, and acting with logical and ethical reasoning. Saint Clement fosters a sense of community that incorporates self-respect and respect for others. The senior high school prepares students to be lifelong learners. For many students, Saint Clement has often been a "home away from home."
