

Private Day School

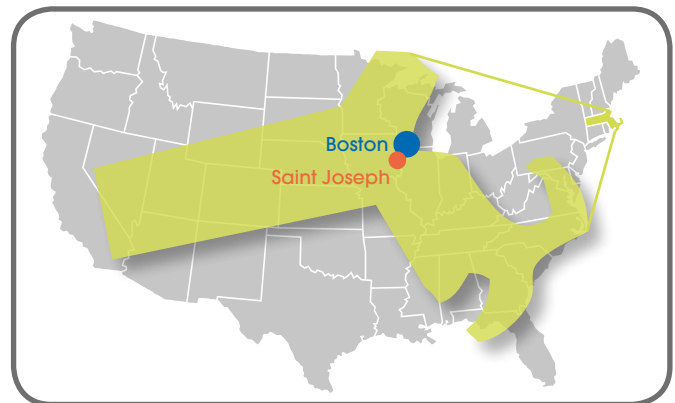

School Profile

Saint Joseph's is a Catholic college preparatory high school that features a rigorous education specializing in skill integration in technology, math and science applied across a curriculum that includes science, math, languages, social studies, fine arts, theology and physical education. The school will provide students with a global perspective and a project-based and personalized educational program that seeks to enhance their analytical and critical thinking skills.

SJPHS maintains effective partnerships with institutions of higher education, including Boston College and Regis College. Graduates of SJPHS will demonstrate the academic scholarship and critical analytic thinking skills that enable them to pursue advanced learning and to develop into global citizens and leaders for the future.
