

## Private Day School

### School Profile

Xavier High School is a Catholic college preparatory school that strives to create for its students a community in which students can develop individual talents and strive for academic excellence in a world of ever-changing technology. The academic wing includes a chapel, five computer labs, four science labs, a large guidance suite, and an expansive library media center. Each classroom was equipped with the latest in technology including a projector that is connected to the Internet, cable television, and a DVD. The school's performing arts center includes a 749-seat theater plus new rooms for band, chorus, drama and art. Xavier High School offers unique courses available in the subjects of Computer Applications, Mock Trial, Criminal Justice, 3-D Design, Architectural Drafting, Statistics, Accounting and Marketing.
