

Public High School

School Profile

Berne-Knox-Westerlo Secondary School is home to about 450 students in grades seven through 12. The teachers are committed to providing students with a well-rounded education that prepares students for higher education and the 21st century workplace. BKW boasts state-of-the-art new computer labs, gymnasium, cafeteria, distance learning lab, science labs, library and technology rooms. Numerous course offerings at the High School also help students develop the skills they need to pursue individual interests and ambitions. BKW is proud to offer classes such as Entrepreneurship, Graphic Design, Living Environment, Forensic Science, Engineering. The district has an impressive record of academic achievement, and also excels in other fields of endeavor such as athletics, music and drama, and school and community service.
