

Private Boarding School

School Profile

Established in 1829, Burr and Burton Academy is an independent school that serves approximately 680 students in grades 9-12 and offers a highly competitive academic program. International students receive a lot of individual attention thanks to the high number of teachers per student. Burr and Burton is located in Manchester, Vermont. Manchester is a rural town that offers many outdoor activities, beautiful mountain views with skiing and snowboarding mountains only 10 to 15 miles away. In the dorms there is wireless computer connection, TV and telephone. There are a few single rooms, but students mainly share a room with another student. There is a computer/working area, living room, dining and kitchen. Students eat together at dinner time with dorm parents.
