

## Private Boarding School

### School Profile

Maur Hill-Mount Academy provides quality education to students from around the world. As a boarding and day school, students will experience a challenging and safe learning environment with a supportive residential program. Maur Hill - Mount Academy is a co-educational, college preparatory institution, developed to model a college campus. Students come from across the United States and from many different countries representing a variety of cultures and religions. Students of all religions/faiths are welcomed. International students have many opportunities to live and learn with American classmates and roommates. Students have access to swimming pool nearby campus as well as tennis courts, sports fields and a newly established workout center on campus.
