

## Private Boarding School

### School Profile

Missouri Military Academy is focused on developing young men for the challenges of the 21st century. MMA strives for unparalleled academic achievement for its cadets and providing a safe and secure environment in which they can thrive. With state-of-the-art academic building, small class sizes and involved faculty, MMA continues to enhance their curriculum and classroom technology to meet the educational challenges of the future. The faculty is continually improving through professional development; close to 70% of the faculty holds a Master's or a Doctorate degree. The record of 100% college acceptance and an average \$48,000 in college scholarships earned per cadet are testimony to its commitment to each cadet.
