

Private Boarding School

School Profile

Founded in 1904, The Knox School is set on 48 acres on a peninsula on the North Shore of Long Island, only an hour outside of New York City. Its mission is to provide the opportunity for capable students to excel within a liberal arts program infused with artistic and athletic pursuits, in preparation for higher education at selective colleges and universities. Six core values drive the mission – integrity, kindness, courage, responsibility, respect and scholarship. It has a long standing tradition of providing a small, family-like environment in which to live and learn. Other traditions include red-white games, student-faculty athletic contests, holiday musical, parents weekend, senior ring and blazer ceremony, ringing the sports victory bell, and fall, winter and spring athletic and academic ceremonies.
