

Shebbear College - Devon, UK

Set in a beautiful rural environment, the College has a unique sense of community centred upon Christian teaching, honouring its illustrious past whilst having its sights set firmly on the future, embracing innovations in thought, technology and education.

Our aim is to educate each pupil to achieve his or her potential by encouraging the highest possible standards of attainment and behaviour through a balanced, flexible and challenging curriculum. By providing a supportive and nurturing environment, Shebbear develops a pupil's sense of self worth, enthusiasm for learning and optimism for the future.

Academics at Shebbear:

The school offers a comprehensive range of departments and activities that provide opportunities whatever the strengths of the pupil.

The Junior School provides a perfect environment in which to build a firm base of knowledge, skills and sense of enquiry that will underpin future progress.

The Senior School seeks to prepare all its pupils for adult life by challenging and expanding young minds in teaching both personal and social responsibility.

Boarding at Shebbear:

The college offers boarding facilities in three Houses, all of which are furnished to an extremely high standard. They strive to have the best of the old but add to it the very best of the present. Many parents feel that the essence of boarding in the United Kingdom is best captured in a rural setting.

The natural elements of peace and quiet, fresh air and space to play are combined with modern facilities housed in historic buildings. Modern boarding houses offer comfortable 'home from home' facilities.

Sports:

The school offers excellent sporting facilities and every pupil is encouraged to participate in a wide range of physical activities. The extensive grounds and ideal location ensures that there is a wealth of opportunity to take part in not only the traditional sports of rugby, netball football, rounders cricket and tennis but also pursuits such as horse riding, karate, trampolining, aerobics, sailing, climbing and canoeing!
