## Welcome to Churston Ferrers:

Over the years Churston Ferrers Grammar School has built up a reputation as a lively and caring community with a tradition for high academic and sporting achievement. Its aspirations to attain the highest standards and achievement as well as developing a supportive community are apparent throughout the work of the school. High quality teaching, excellent support and extensive curriculum opportunities ensure that students make outstanding progress and obtain excellent results, which are well above national averages.

## Individual Approach:

The school is committed to developing the curriculum so that all students are offered an appropriate level of challenge, both academically and in terms of their personal development. Work is carefully matched to students' needs and teachers are enthusiastic about the further development of learning strategies. There is a high quality of academic support and individual guidance from teachers and a strong pastoral system to assist students in all other matters of school life.

## Enrichment Programme:

There are many occasions when students are able to make a positive contribution to the wider community through fund raising, sporting and performing activities. The school has an excellent array of extra curricular activities on offer, which all students are encouraged to participate in. These develop valuable additional skills as well as being enjoyable and some carry additional qualifications.
