The school also has an enviable provision of performing arts courses, enabling students to progress to prestigious dance or theatre schools after Sixth Form.

Outside the Classroom:

The school has a wide array of extra-curricular clubs and activities, including sporting, musical and theatrical opportunities, as well as more unusual pursuits such as astronomy and war games. There are numerous trips every year; students have the opportunity to visit interesting and educationally vibrant places on these shores and much further afield. Over the last year, students have visited Italy, Spain, France, Germany, China, Japan and India, and the school has also welcomed visitors from these and other countries who provide a fascinating insight into different lives and cultures.
