

# Worthing Sixth Form - Worthing, UK

Worthing Sixth Form College has been providing Further Education for over 38 years and has gained a reputation for the high quality of its courses and academic achievements. Worthing is on the south coast of England and is ideally situated for the beach and the surrounding countryside. The college provides the right atmosphere for success in being friendly and relaxed but at the same time motivated and purposeful. As well as 16-19 year-old students the college has enrolled an increasing number of part-time adult students who have become an important part of the diversity of college life.

## Location: Worthing, West Sussex

Worthing is the largest town in West Sussex, and a thriving shopping, dining, entertainment and business centre. A delight for residents who benefit from its fabulous location nestled between an award winning beach and the glorious South Downs National Park. Being conveniently located on a major road and rail network makes getting here really simple too. Worthing offers a wide choice of activities including three theatres and two cinemas, which ensures there are always a wide variety of shows, films and concerts to see.

## Welcome to Worthing College:

Worthing College is going from strength to strength. Year after year the college achieves excellent exam results and continues to expand. Each year more students apply to us to be part of our success. Our main priority is to be an outstanding institution where teaching, learning and student success are second to none. The college mission is to provide all students with opportunity, achievement, success and progression. We do this by offering high quality courses that can be combined in flexible ways leading to a successful future.

## Sports Academy:

The Sports Academy at Worthing College offers young sports-people the foundation and support they need to succeed. The mission is to prepare students for higher education and employment within the sports industry, be that sports performance, education, active health and wellbeing, or in community and partnership roles. The staff are both talented and committed to this mission.
