International students at York College can be sure of a warm welcome both at the college and in the city. York College has a worldwide reputation as an educational provider and has students from 80 countries across the world, including locations as diverse as Afghanistan to Zanzibar.

Support is provided for a host of differing faiths and religions and the College prides itself on providing a truly international post-16 experience to meet the demands of a global economy.

A Level Faculty

Higher Education at York College:

The new college provides a learning environment for all ages (from age 16), which offers a wide range of academic and vocational courses at all levels and works alongside local educational providers and businesses.

In the recently published league tables, York College ranks in the top ten highest scoring Further Education colleges in the country. The college is proud of the international students' achievements and appreciates the different cultural perspectives and knowledge that they offer to the local students.

Location:

York is a small, friendly city, but with the leisure, shopping and sporting facilities of a much larger town. Its world famous architecture and 2,000 year history bring many thousands of visitors each year. Halfway between London and Edinburgh, trains to London take under two hours and it is only 30 minutes from Leeds and one hour and a half from Manchester. It is within easy reach of the coast.
