

St. Andrew's College - Dublin, Ireland

Founded in 1894 by the Presbyterian community in Dublin, St. Andrew's today is a leading interdenominational, international school providing primary/secondary education students from many different backgrounds and nationalities - although the majority of students are Irish. The College offers the Irish State examinations, the International Baccalaureate and the 4 American SATS. The College is recognised by the European Council of International Schools (ECIS) and the New England Association of Schools and Colleges (NEASC), in addition to the Irish Department of Education.

St Andrews is the Irish centre for the Model United Nations and is the host school for MUN each year in Ireland.

About St. Andrew's College

The college is situated in the southern suburbs of the city in an area of scenic parkland, less than 15 minutes by bus/rapid rail from the city centre.

The college consists of a modern building incorporating classrooms, specialist teaching rooms, offices, cafeteria, library, resource rooms, gymnasium, a separate senior secondary block, computer/IT rooms and staff offices. Most recently the College added a 6th Form Centre. A modern canteen offers a lunch menu each day.

Supervised activities outside of the classroom are an integral part of college life. St. Andrew's offers a wide range of activities, such as dance, music, art, overseas travel, language travel and other programmes.

Subjects Offered

The curriculum of the school is that laid down by the Irish Department of Education for both Junior and Leaving Certificate Examinations. Subjects include:

Art, Civics, Classical Studies, Commerce, English, Irish, Mathematics, Music, Science, History, Geography, Home Economics, etc. In addition the following subjects are taught in Senior Cycle: Accounting, Business Organisation, Economics, Physics, Chemistry, Biology, Computer Studies. EFL (English as a Foreign Language) is also available .
Languages: French, Spanish, German

In addition there is a separate programme for the IB and for the SATS

Sports

Sport is a major feature of life in St. Andrews - it is one of the leading rugby schools of Ireland. Other sports include athletics, badminton, basketball, cricket, golf, gymnastics, hockey, sailing, football, swimming, tennis and volleyball.

The College has recently added extensive multi-purpose all-weather, floodlit sports grounds. The College also offers an extensive range of extra-curricular options – from the College Magazine (The Grapevine) to chess, music, golf, etc
