

CAIRNS

Tropical Cairns, voted as Australia's most welcoming city, is the gateway to the Great Barrier Reef and Daintree Rainforest. Cairns is a small, coastal city known for being very safe and friendly. Students can work, live and study in the city. Everything is convenient. The cost of living is significantly cheaper than other Australian study and work destinations. Transport (students can walk or cycle easily), accommodation (share houses) and groceries are all more reasonably priced. The school is located within walking distance of the city centre, is modern, air-conditioned and has its own garden courtyard.
