Berlin | The new *former* capital

Looking at the Berlin Wall today you can hardly guess its former meaning. Years ago the colorfully painted concrete wall divided the two German states and, thus, almost all of the world. But since the Berlin Wall came down in 1989, Berlin has developed rapidly and became a true metropolis. The impressive government district with its new *Reichstag Cupola*, the many trendy boutiques, the lovely restored backyards in *Prenzlauer Berg*, the *Holocaust Memorial*, *Potsdamer Platz* and the *Museum Island*. And even at the *Berlin Wall* today you make friends from all over the world. Your customers can turn their language vacation with us into a unique and memorable experience by discovering Berlin, this *new* exhilarating world-metropolis.

Your students can hardly wait to come to Berlin and to see the city? Then let's start a sightseeing tour right away. For only 2,60 Euro! It's just a few minutes from our school to *Alexanderplatz*. There we jump on the bus 100... and start our Berlin city tour: After the *TV Tower* – the *Fernsehturm* – you will see the *Berlin Town Hall* and the famous *Museum Island*. Catch a glimpse of the big *Berlin Cathedral*, the *State Opera House* and *Humboldt University*... And on we go! *Brandenburg Gate*, *Reichstag*, the *House of Cultures*. Next Stop will be *Bellevue Castle* – seat of the German president – and the *Victory Column*. You should recommend the tour... it's just great. If then your customers want to see more they should join us on our excursions after class.

Activity program

Excursions with our activity guides are not a must. Some excursions, however, your students shouldn't miss! On our walking tours through the historical center of our capital they will see places worthwhile visiting around our institute: alternative galleries as well as art shops, the cultivated revue theatre *Friedrichstadtpalast*, the marvelous synagogue and the lively backyards of *Hackescher Markt*. Our activity guide will show our students the few remains of the *Berlin Wall*, will tell them the history of the *Reichstag* before the Federal German Parliament moved into the building in 1999, and will give them all the background information on the *Potsdamer Platz* and how it looked like before and immediately after World War II.

If your customers visit Berlin, they got to see Potsdam, too! Because right outside the city of Berlin, 30 minutes away from our institute by public transport, they will find a UNESCO World Cul-

Christmas holidays

Every year during christmas holidays the did deutsch-institut Berlin is closed:

2014/2015	20.12.14 to 04.01.15	(school closed)

tural Heritage monument of special beauty. The former residence town of the Prussian kings will impress its visitors with castles, beautiful palaces and upper-class town houses. Next to *Castle Sanssouci*, the *New Palais* and the old town the students will also visit *Castle Cecilienhof* where in the summer of 1945 the so-called *Potsdam Conference* of the victorious allied powers took place. Our activity guide will show them the conference and study rooms of President *Harry Truman*, Prime Minister *Winston Churchill* and secretary general *Josef Stalin* – here German and world history can be felt live.

The school

As only few other places in the capital, *Oranienburger Straße* is busy with life at night. Night owls and metropolitan adventurers stroll along the one kilometer stretch between *Hackescher Markt* and *Friedrichstraße* where you find more than 40 bars, cafés, trendy shops and galleries. Here – in a quiet street nearby – the *Berlin did institute* invites the students to study German. The institute is located on two floors, the classrooms are friendly and spacious. In the breaks our students can get coffee and soft drinks from vending machines in the cafeteria and use the internet. Or take a coke up to the roof terrace where they can also relax with their friends after class.

Accommodation

According to personal preferences students may choose among several accommodation possibilities: Do they prefer family accommodation and, thus, practicing their language skills outside the classroom? Then they should decide to have family accommodation with breakfast or breakfast and dinner. If participants decide in favor of the private room option, they stay with a host or share an apartment, but they are responsible for their own meals. If your students rather prefer living independently, they should opt for youth hotel or hotel accommodation.
