Munich | City of *Gemütlichkeit*

Oktoberfest and beer-gardens, Lederhosen and Bavarian brass music... no other city is a better example for German tradition and culture than the Bavarian capital. When your students arrive in Munich they will be sure: it is here where the German *Gemütlichkeit* was invented. And it certainly is something special to enjoy Bavarian *Weißwurst* and pretzels in the world-famous *English Garden* – if the weather is nice the Bavarian alps can even be seen in the distance. But not only here the third largest German city with its 1.3 million inhabitants will impress with its warm-heartedness and joy of life. With more than 10 universities and over 80,000 students it is definitely no problem to be a young and lively city.

There are things in Munich that will never change. One of these things is the beer. Your customers will instantly notice that when they come to the Bavarian capital and as soon as they visit one of the famous breweries. At the *Hofbräuhaus* – certainly the world's most famous pub – they will learn what it means to enjoy a beer in Munich, football fans from out of town try to build up their confidence while drinking beer before their team has to face the famous *FC Bayern München* football stars. And it's exactly here that they find another typical Bavarian tradition: *Lederhosen*! Your students should treat themselves with a pair of these leather breeches: it is a purchase they will make only once and their fellow students will have a big laugh.

Activity program

The first days in Munich will be exciting and exhausting: there's simply too much to do and to see in this town. Some visitors have no idea where to start the tour... It isn't easy considering the many art exhibitions, parties and cultural events. Your students can relax! Our activity guide has arranged a leisure time program featuring all the Munich highlights. Students will be taken on a discovery tour of the city: They will get high on culture in the *Modern Pinakothek*. After visiting the home arena of Munich's world-famous football club – the *FC Bayern München* – they will finally discover the *English Garden*: Munich's *Central Park*, where they can go on a boat trip or do sports right in the heart of the city.

However, not only in the city itself there's plenty to discover: It takes only an hour by car, 70 kilometers away, and our participants will be in the Bavarian Alps, joining the *did-team* for ski-

Christmas holidays

Every year during christmas holidays the did deutsch-institut Munich is closed:

2014/2015	20.12.14 to 04.01.15	(school closed)
2015/2016	19.12.15 to 03.01.16	(school closed)

Welcome to the Oktoberfest

Maybe you know the Oktoberfest from your country – this German *Volksfest* is an export bestseller and is also celebrated under the same name in Switzerland, in the United States, in Canada and Brazil. But only in Munich you can see the original – the world largest public fair. Every year more than five million visitors from all over the world come to the *Wies'n*, which is the name for the beer festival the locals use.

If you've been here once, you'll understand what's so special about the Oktoberfest – it simply breaks all the records: The large beer tents offer seating for more than 10.000 visitors, 1.600 waitresses are working, serving more than 6 million liters of beer! And outside the enormous beer tents the world-wide largest transportable rollercoaster, over one kilometer long, with its 5 loopings is waiting for fearless riders.

If you want to combine your German course with a visit of the Oktoberfest, you shouldn't wait until October – only the last festival weekend is in October. The reason for this is the weather: September nights are milder and more pleasant for visiting the *Wies'n* in the evening. You shouldn't miss it – even if you've got to study German the next morning. A visit to the Oktoberfest is simply a great experience.

However, not only in the city itself there's plenty to discover: It takes only an hour by car, 70 kilometers away, and you'll be in the Bavarian Alps – join the *did-team* for skiing! The activity guide also offers trips to the Alps during the warmer seasons. In the summer time, we would like to invite you to come to the south, to the lake area *Chiemsee*, *Ammersee* and *Starnberger See*. If you still wish to experience culture, come with us to Augsburg, Regensburg and Salzburg, the native city of Wolfgang A. Mozart. You should not miss these towns! Especially, however, join us on an excursion to King Ludwig's world-famous fairy tale castle *Neuschwanstein* – it is Snowwhite's Disneyland castle – but the original!

Accommodation

According to your personal preferences you may choose among several accommodation possibilities: Do you prefer family accommodation and, thus, practicing your language skills outside the classroom? Just decide for host family accommodation with breakfast or breakfast and dinner. If you decide for the private room option, you stay with a host, but you are responsible for your own meals. If you rather prefer living independently, you should opt for hotel or youth hotel respectively studio accommodation.
