# HIGH SCHOOL IN TORONTO

Established in 1978, the College in Toronto is a private international boarding school preparing students entrance into Canadian and American universities.

The College offers the **Mini High School Program**, providing students with the opportunity to enjoy a short-term international experience. Over 2 or 3 weeks, participants join regular high school classes, fully immersing themselves in school activities. They engage in presentations, complete tests and homework, and actively participate in the academic and social life of the school.
